Description: Experience 15 of the West's finest rustic modern homes in this beautifully written and photographed book. An intimate peek into rustic modern private homes and other properties across the Mountain West and California: traditional log cabins, sustainable projects, artist studios, and places for play—inspired interior decor and exteriors, all beautifully...

Review: I really enjoyed Rustic Modern. I actually purchased the book to get some design ideas for a someday house that my wife and I will eventually build.....someday! The author does a nice job presenting the blending of what is old and traditional and that which is clearly new and pointed toward the future. As more of a traditionalist, I was surprised...
